

Sort and Predict Frame

Name:

Date:

Topic: _____

Directions: Read the list of words and sort them into 4 different categories by placing each word in a box. For the words you are unsure of, make a prediction! When you chose categories, try to make the 4th category unique. Use your creativity! You may use **one** word in more than one category.

Sort & Predict Words	1) _____	2) _____
	3) _____	4) _____
